GOVERNOR DUMMER ACADEMY - SOUTH BYFIELD - MASSACHUSETTS

OUR COVER

On our cover for this issue we have used a new portrait of Mr. Benjamin J. Stone, who is being honored this year for his twenty-five years of service at Governor Dummer Academy. On the editorial page of this issue appears an appreciation of Mr. Stone written for *The Archon* by the Headmaster.

It is interesting that this very fine portrait was made by Mr. N. Morey Eames, former teacher at Governor Dummer, college classmate and roommate of Mr. Stone.

OBER, STONE, TEMPLE ARE FINALISTS IN NATIONAL SCHOLARSHIP COMPETITION

Three seniors at Governor Dummer, Peter C. Ober, Edward J. Stone, and Robert E. Temple, have recently been named finalists in the National Merit Scholarship competition. These three students are among the 7,500 highest scorers on a nationwide aptitude examination given to 162,000 seniors in 12,500 high schools in the United States. From the 7,500, 700 will be awarded four-year college scholarships sponsored by various business and industrial corporations.

GLEE CLUB ENJOYS JOINT CONCERTS. PREPARES FOR SYMPHONY HALL IN SPRING

After the Christmas holidays the Glee Club set to work in earnest to prepare for the Walnut Hill concert to be held at Natick on February 9. Their hard work proved to be worthwhile, for the concert proved to be one of the best ever given by the two schools. The Walnut Hill club very effectively sang *I Know Where I'm Goin'* and followed with a delightful southern folk song entitled *Charlottown*.

The Governor Dummer club roused the audience with their very effective interpretation of songs from *The Student Prince* and followed with an interesting rendition of *The Musical Trust*. The concert was highlighted by the debut of the 1957 Meistersingers under the direction of Mr. Kerr. Their presentation of a lively spiritual ballad *Ride the Chariot* was received with great applause.

After the concert a short dance was held for both clubs to climax a very enjoyable evening.

The Dana Hall Club from Wellesley were the guests of Governor Dummer at a similar concert held in the Alumni Gymnasium on Saturday, March 9, when the girls from Dana Hall sang *Le Violette*, *The Trysting Place*,

BOB REX '53 HONORED AT ALUMNI MEETING AT HANOVER

On Tuesday evening, January 8, an alumni meeting was held at the Ski Hut at the Hanover Inn, Hanover, New Hampshire, to honor Robert M. Rex '53, captain of the 1956 Dartmouth football team.

After the dinner Mr. Navins introduced Mr. Albert I. Dickerson, Dean of Freshmen at Dartmouth, and Mr. Sager of the faculty. Mr. Eames then presented Rex with a Governor Dummer chair bearing a plaque inscribed: "Bob Rex from all his friends at Governor Dummer, January 8, 1957. Co-captain football Governor Dummer 1952. Captain Dartmouth football 1956."

In addition to alumni present were two members of the college administration, Dean Albert I. Dickerson and Mr. Robert K. Hage; also Mr. James W. Champion, father of Jim '49 and Ronan '51; and Mr. Eames, Mr. Navins, Mr. Ohrn, Mr. Sager, and Mr. Witherspoon from the faculty. Albert B. Wende '55 made plans for the gathering.

MR. BARTLETT HAYES DISCUSSES NEW EXHIBIT OF PAINTINGS

When school reopened for the winter term on January 6, faculty and students were pleased to find a new set of paintings hanging in the dining room. The pictures are loaned to the Academy by the Addison Gallery of American Art at Phillips Academy, Andover, and on January 24 Mr. Bartlett Hayes, Director of the Gallery, spoke on the new paintings at evening meeting.

Paintings now on display are: "Liberty Bridge, Pittsburgh" by John Kane; "An Oklahoma Oil Field" by Joe Jones; "Dordrecht" by Charles Platt; "Washington Square" by Dong Kingman; "Boats", Edmund Lewandowski; "The Rose and The Book", artist unknown; "Lucretia", Esther Williams; "Wellfleet Bay", George Grosz; "Still Life — Ducks", Walt Kuhn; "Flower Women", Iver Rose; "Tremont Street, April 1925", A. C. Goodwin; and "Summer Home", Hobson Pittman,

GLEE CLUB PREPARES FOR SYMPHONY HALL CONCERT

(Continued from page 3)

Mon Coeur se Recommande a Vous, and *Lullaby of Birdland*. The Dana Hall Bachelor's Buttons and the Governor Dummer Meister-singers also sang. Among the Governor Dummer selections were *O Bone Jesu*; *Matona*, *Lovely Maiden*; and *Give Me Your Tired, Your Poor*.

The Dana Hall Club arrived in time for a late afternoon rehearsal and were entertained at dinner before the concert and at a dance following it.

Preparation for the annual Preparatory School Music Festival to be held at Symphony Hall on April 7 under the direction of Dr. Wilfrid Pelletier is continuing to keep the Glee Club extremely busy.

CULTURAL TRIPS ENLIVEN THE LONG WINTER TERM

On February 3 Mr. Williams and a small group of boys went to the Exeter Theatre in Boston to see the movie "Albert Schweitzer" and were impressed both by the account of Dr. Schweitzer's work in Africa and by the technical excellence of the photography.

Three weeks later another group of boys, accompanied by Mr. Sperry, had the privilege of attending an Artur Rubenstein concert at Symphony Hall in Boston. The program included selections from Brahms, Beethoven, Chopin, and Debussy. The concert was a remarkable example of Mr. Rubenstein's skill as a pianist, and it was thoroughly enjoyed by all who attended.

JUNIOR GLEE CLUB SCHEDULE INDICATES FOUR JOINT CONCERTS

The Junior Glee Club, organized three years ago to provide an opportunity for younger boys to share the same musical training and social opportunities enjoyed by the upper-class members of the Senior Club, has continued to flourish under direction of Mr. Albert L. Kerr.

During the winter term the club has participated in joint concerts with girls clubs from the Beaver Country Day School, from the Walnut Hill School, and from the Shore Country Day School. During the spring term

a similar concert is scheduled with the Dana Hall School.

The season opened with a concert and dance at Beaver on February 9. At Walnut Hill on February 23 the Governor Dummer club was entertained at dinner and dancing; and on March 2 an enjoyable dance followed the concert with the Shore Country Day School.

MR. EAMES IS NEW PRESIDENT OF HEADMASTERS ASSOCIATION

Mr. Edward W. Eames was elected President of the Headmasters Association for a one-year term at the annual meeting held at the Westchester Country Club in Rye, New York, on February 14-15.

The Association is nationwide and is limited to one hundred members. Two-thirds of the members are headmasters of independent secondary schools and one-third are high school principals. Mr. Eames first became a member of the Association in 1937 and has since served as a member of the Executive Committee and as Vice President.

FACULTY ATHLETES HUMBLE VARSITY BASKETBALL TEAM

At dinner on February 15, the last night before Winter Weekend, the boys seemed happy and carefree. That is, all the boys were happy and carefree except for a few who were congregated about Mr. Williams, talking in hushed voices. From the looks on their faces one would guess that there was tension in the air, and so there was. For that night at eight o'clock in the Alumni Gymnasium this small group of boys, known around the school as the varsity basketball team, was to take on a strong and experienced faculty team.

The faculty team boasted such greats as Mr. Costello, Mr. Smith, Mr. Marr, Mr. Ashley Eames, Mr. Sperry, and Mr. Eglin. To round out the squad various alumni and friends of the faculty, including Mr. Welch, the tennis coach, were invited.

The game got under way as scheduled, and the faculty jumped into an early lead. Supported by the cheering of a small and select group of seniors, the masters were able to keep their lead up to halftime. After halftime, the varsity came out, a rejuvenated and less

over-awed ball club. They got the ball and moved into the lead for the first time in the game. The masters did not take that for long, and before the end of the quarter they had regained the lead, never again to lose it. The final score was 42-40 in favor of the masters. Mr. Eglin led the faculty with 19 points while Fred Sayles led the varsity.

Good sportsmanship was the theme, and the varsity boys took the loss like men. "For sometimes points received off the athletic field mean more than those received on it."

HEADMASTER'S CALENDAR

December 7: Attended annual meeting of the New England Association of Colleges and Secondary Schools in Boston.

January 30: Attended annual meeting of the Corporation of the Anna Jaques Hospital in Newburyport.

January 31: Moderator of panel discussion on "The Future of Amherst College" at a meeting of Amherst alumni in Boston.

February 14-15: Attended meetings of the Headmasters Association at Rye, New York.

STUDENTS SEE MANY ATHLETIC EVENTS IN BOSTON GARDEN

During the winter term large groups of boys have been taken to Boston to witness professional hockey and basketball games in the Boston Garden.

The first trip occurred on Sunday, January 20, when twenty-eight boys watched Boston's champion Celtics beat the New York Knickerbockers, 116-98, in a National Basketball League game. On Saturday, February 9, an even larger group saw the Boston Bruins and the Montreal Canadiens in a professional hockey thriller.

On March 2 two bus loads of boys returned to the Garden for the Harvard-Yale intercollegiate hockey game. Harvard finally won, 1-2, but not until Yale had thrilled the crowd with a second period rally that gave them a temporary tie.

The final trip of the term was to another professional basketball game, in which the champion Celtics were opposed by the Syracuse Nationals.

BOB REX '53, DARTMOUTH FOOTBALL CAPTAIN, GUEST AT WINTER AWARDS MEETING

Robert M. Rex '53 was guest speaker at the annual rally to award letters and prizes for winter term sports on Friday night, March 15. At Governor Dummer Rex was co-captain of the football team and captain of the basketball team. He won the Goodwin Athletic Prize and the Morse Flag at graduation. He was captain of the 1956 football team at Dartmouth and the Ivy League's leading punter. Boston sportswriters voted him the "Senior Achievement Award" at their annual "Captains' Luncheon".

Coaches awarded letters to the members of their teams and Most Valuable Player awards went to Frederick L. Sayles in basketball, M. Kevin Leary in wrestling, Geoffrey E. Fitts and Harvey L. Hayden in hockey, and Richard J. V. C. Pescosolido in track.

Afterward the Two-by-Fours, a double quartet from Winchester, sang a number of songs.

SUNDAY SKI TRIPS ARE POPULAR WINTER FEATURE

Early on several Sunday mornings during the past term, Mr. Ashley Eames from Commons 2 and various and sundry boys from that and other corridors were observed sleepily making their way through the darkness toward the school kitchen, where do-nuts and hot coffee sufficiently awakened them to permit boarding a chartered bus for Sunapee, New Hampshire, and a long day of skiing.

By leaving school long before the regular breakfast hour, these enthusiasts found it possible to reach Sunapee by mid-morning, enjoy several hours on the slopes, and still be back at school in time for the vesper service. They did not always find it possible to stay awake.

MORE BRIEFLY

On Wednesday, March 6, and again on March 13 large groups of boys enjoyed guided tours through the General Electric plant at Lynn. Security regulations prevented their seeing all the activities of the giant plant, but they were shown enough to make them aware of the stupendous and fascinating progress being made in electronics and in airplane propulsion. Arrangements were made by Mr. Miller.

"The Archon" is happy to print below, in the space usually devoted to editorial comment, an appreciation of Mr. Stone written by Mr. Eames.

This is Mr. Stone's anniversary year. It is his twenty-fifth year of teaching, and it is also his twenty-fifth year at Governor Dummer. On Commencement Day next June those of us who are already official members of the Old Guard — Mr. Mercer, Mr. Murphy, Mr. Dunning, Mr. Sager, and myself — will joyfully welcome Mr. Stone into our fraternity.

After winning his Phi Beta Kappa key at Hamilton College, Mr. Stone came directly to Governor Dummer in the fall of 1932. Here he soon showed himself to be a gifted and dedicated teacher, both inside the classroom and out. He has long served as head of our mathematics department, as a house master, soccer coach, musician, and administrator. Mr. Stone is now Director of Studies and for many years he acted also as Director of Admissions.

But it is not so much what a man *does* that matters. What is more important is the kind of person he *is*. How can I possibly put into words my thoughts and feelings about such a good friend and devoted colleague — after twenty-five years? I think each one of you must know how much Ben Stone means to me — and to the school.

Ben Stone seldom carries the ball himself. Instead, he has spent the last twenty-five years in his quiet, modest way leading the interference and backing up the line. Ben Stone is what we like to call a good "team player," and no one knows this quite so well as the other players on the team. I am glad the time has come to tell him how much we all think of him.

The Maine Junior Chamber of Commerce has chosen Henry S. Payson '39 as one of the three most outstanding young men of 1956. Payson was chosen for his activity in the insurance field and for his part in the Portland Jaycee project that helped found the Greater Portland United Fund.

He is president of the Morse, Payson & Noyes Insurance Agency and vice president of the insurance firm of Campbell, Payson & Noyes. He is also director of the Greater Portland Chamber of Commerce and a director of the New England Council.

ON THE ATHLETIC FIELDS

THREE TRIANGULAR MEETS ON WINTER TRACK SCHEDULE

The winter track squad started its 1957 season with a myriad of runners. The road between the Alumni Gym and the bridge was the track occupied by the winter track boys in getting ready for their first meet with Exeter and Tabor at Exeter.

Mr. Eglin, the new track coach and former captain of Princeton's track team, knew that Exeter was very good and that the meet would really be between Tabor and Governor Dummer for second place.

January 26 was the day for the meet. Wink Pescosolido was high scorer for the Governors, placing second in the hurdles and also in the 300. Peter Cadigan, co-captain of the spring team, did a marvelous job, placing second in the 1,000 behind a very good Exeter man. Bob Temple placed third in the 600. Dick Field missed placing in the 600 by a few tenths of a second. The final score of the meet was Exeter 62½, Tabor 14½, GDA 11.

The next meet was the B.A.A. games at Boston on February 2 when Governor Dummer's one-mile relay team competed with eight other preparatory school teams. The relay team consisted of Wink Pescosolido, Gale French, Bob Temple, and Pete Cadigan at anchor. This team qualified in the afternoon and placed third in the finals that evening.

The next meet, on February 13, was with the Exeter J.V.'s and Portsmouth High School. Gale French was high scorer, placing in four events. Pete Cadigan was first in the 1,000 and second in the 500. Bob Temple won the 600 and Wink Pescosolido won the hurdles. Gale French won the broad jump and tied for first place in the pole vault, while John Keller, who tied for third in the vault, also won the high jump. The final score of the meet was Exeter 47, Governor Dummer 40½, and Portsmouth 22½.

At the Bowdoin Interscholastics on March 9 Peter Cadigan took first in the 1,000 yard run, Wink Pescosolido earned two seconds, and Gale French one to give the Governors third place among the ten private schools competing.

BASKETBALL TEAM MAKES FINE MID-SEASON RECORD

When the varsity basketball team held its first practice this season, Mr. Williams, who had moved up from the J.V. team to replace Mr. Witherspoon as head coach, was faced with the problem of a squad composed almost completely of young and inexperienced players. A further problem was that his only returning letterman, Captain Bill Hallenbeck, was still recovering from a knee operation.

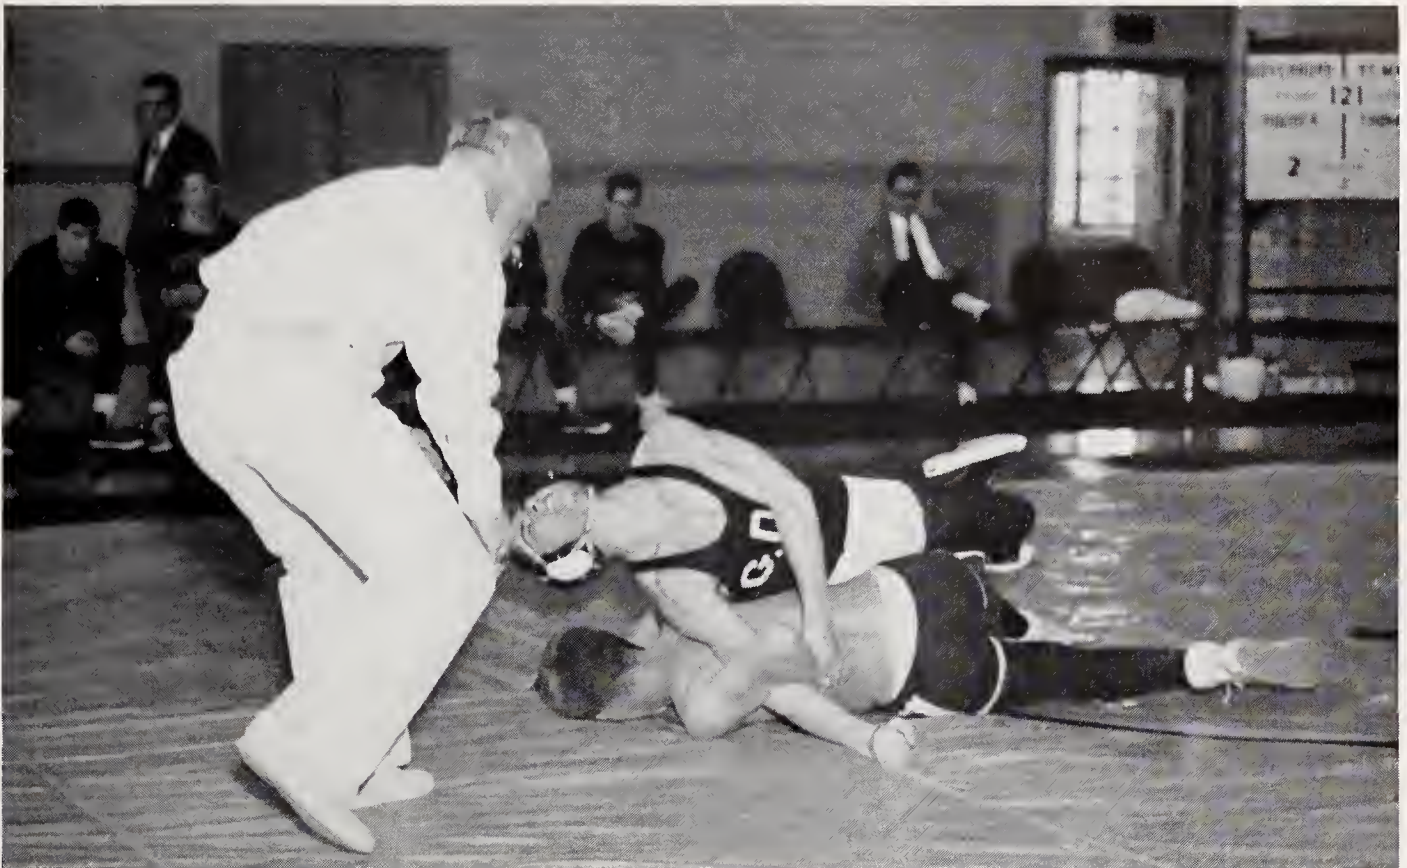

Mr. Williams worked the squad hard, and by the first game he was able to put a team on the floor which, although inexperienced, worked well together and showed great promise in shooting and rebounding. At center Fred Sayles, high scorer and rebounder, was flanked at the forward spots by sophomore Randy Light, a good shooter and a strong rebounder, and Bill Hallenbeck, who was finally able to start in the fifth game of the season against Rockport High School. In the backcourt are sophomore Kent Dumont, whose long set shots have surprised many opponents, and Hardy Bedford, who was able to work his way into the line-up, after several games, as a playmaker and a strong man on defense.

M.I.T. Freshmen Crush Governors

In their first game on January 10 the Governors were defeated 72-43 by a very strong unbeaten M.I.T. freshman team. Although the Byfielders played well behind high scorer Kent Dumont, they were far surpassed by the M.I.T. team, led by Burton, their great playmaker and high scorer. Two days later they travelled to St. Sebastian's Country Day School where they were again defeated 44-38. In this very close game the Governors, despite Fred Sayles' fine work, were unable to overcome the sharp shooting of St. Sebastian's Whelan.

Home once more, the Governors again lost on January 16, this time to an extremely strong Lawrence Academy team, 48-37. The Governors were greatly improved over their previous games, having both Randy Light and Fred Sayles in double figures with Sayles also hauling down 20 rebounds. However, Lawrence's Captain Jackson, one of the finest

1957 GOVERNOR DUMMER
WRESTLERS HAVE SECOND
UNDEFEATED RECORD

Under the able and inspiring coaching of Mr. Evans and Mr. Kerr, the 1957 wrestling team has completed the second undefeated season in the history of the sport at Governor Dummer. Captain Kevin Leary, heavyweight Mike Tyler, Hal Pouser, Pete Stanley, Gene Bouley, were consistent winners, but almost as much the team owes its enviable record to Lymie Cousens, Ned Stone, Dan Kaufman, Max Ule, Lonnie Churchill and others who had the grit and determination to produce nearly impossible points at crucial times.

The season commenced on January 12 in a dual meet against Noble and Greenough. With a strong nucleus of returning lettermen, a good beginning for a good season was expected, and the final score of 24-15 started the team off on the right foot. Pins were had by Hal Pouser at 121 lb. and Pete Stanley at 177 lb. Bill Capel wrestled a very impressive first match. On the 19th, when the Governors played host to the Belmont Hill School, Captain Leary, Bouley, Ule, Pouser, Stanley, and

Tyler all gained pins as the Governors racked up a 36-10 score.

Next on the agenda was the meet with a surprisingly good St. Mark's team. Leary and Tyler gained an important ten points to clinch a 22-16 victory. Lymie Cousens won his third straight decision at 127 lb. and Lonnie Churchill did a magnificent job against Howarth, the able St. Mark's captain. The 20 lb. deficit caught up with Lonnie in the third period, but not before he had given the fans an incredible demonstration of courage.

At Roxbury Latin, the first out-of-town meet of the year, the Governors barely eked out a 23-18 victory. Going into the 158 lb. match, the Governors trailed 16-3. However, pins by Bouley, Stanley, and Mike Tyler, coupled with a decision by Leary and a very opportune tie by Don Kaufman at 167 lb., brought another victory. With four wins under their belts, the Governors travelled to Brooks on February 6 for a somewhat easy victory. Max Ule drew a good Brooks man in his best bout to date. Pouser came through with a decision, almost pinning one of their co-captains. Ray Ferris, able replacement for disabled Cousens, gained three for the Red-

men at 127 lb. Then Capel, a very promising sophomore, pinned his man in the second period. Churchill drew to give Brooks their other two points. Bouley and Leary had quick pins. Don Kaufman followed with a decision, and Stanley and Tyler earned pins to make the total score 38-4.

February 9 marked the date of the crucial Milton meet. Tension was abnormally high as hard-working manager Jon Treadway announced just before the first contest that he had left the all-important scoring book in the locker room. Pouser gained the only win among the lightweights; the score before the 147 lb. bout was 14-5 for Milton. Gene Bouley and Kevin Leary came through with decisions to give the scoreboard a boost to 17-11 at the beginning of Stanley's bout. Pete handily pinned in the third period, and Tyler showed his man the lights in 40 seconds of the first. It was a most gratifying 21-17 win, being only the second over Milton in many years.

Tabor was the next obstacle, which the Governors overcame 24-16. Bill Hunt electrified the crowd in Alumni Gymnasium when he almost took down Tabor's Captain Sickles in his first varsity bout. Tyler, Stanley and Pouser gained five each, while Bouley, Leary, and Stone picked up nine more. In the final meet of the season, Browne and Nichols proved no match as the Governors took their last match, 35-8, to gain their second undefeated record.

MANY CLOSE GAMES MARK

J.V. BASKETBALL SCHEDULE

On January 16 the Governor Dummer J.V. basketball team played host to the Lawrence Academy J.V. club. This was the first game for the GDA quintet, and the lack of experience was evident. The Governors gave Lawrence a battle for three periods but faltered in the fourth period, and the final score showed Lawrence on top with a 36-29 margin.

The Governors' next game was at Belmont Hill. The Hillies fought hard, but it was soon apparent that the Governors possessed a stronger club, and they went ahead to beat Belmont Hill by the decisive margin of 52-32. Pete Fitts was high scorer with eighteen points, while Levenson of Belmont put the ball through the hoop five times for ten points.

On January 26, after defeating the previously undefeated Immaculate Conception

team of Newburyport by a score of 53-31, the Governors took the floor against the St. Paul's School J.V. squad. At half time the scoreboard showed the Governors ahead by four points, but St. Paul's came back strong in the second half to win the game in a close 38-35 ending.

After a week and a half lay-off, the Governor Dummer team took on a strong Browne and Nichols five in a game which went right down to the line. At the start of the fourth period the Byfielders were ahead by a score of 29-23, but the lead proved too insufficient and their opponents went ahead with thirty seconds left in the ball game. The Governors weren't to be outdone, and they tied the score at 33 all just before the buzzer sounded. In the overtime which followed the Governors milked the basket twice while Browne and Nichols scored only once, and the final score was Governor Dummer 37, Browne and Nichols 35.

GOVERNOR DUMMER RETAINS

MARSTERS LACROSSE TROPHY

On February 3, at the annual meeting of the New England Intercollegiate Lacrosse League, the 1956 Governor Dummer lacrosse team was awarded the Charles E. Marsters trophy, presented annually by the Boston Lacrosse Club to the secondary school team displaying the best combination of sportsmanship and improvement during the past season. This is the second consecutive year the award has been made to a Governor Dummer team. The 1956 team had an undefeated season and the 1955 team lost only one game.

Mr. G. Heberton Evans, varsity lacrosse coach, and Mr. A. Macdonald Murphy accepted the trophy on behalf of the team.

BOB POUCH'S BRUINS SWEEP

INTRA-MURAL HOCKEY LEAGUE

This year with a deluge of hockey players, a hockey league was established so that intramural competition could be had. The league was divided into three teams — the Bruins, Lions, and Reds. The Bruins, led by the capable Bob Pouch, swept the league, defeating all opposition. The Lions under Jim Auker finished second with Steve Hesse's Reds close behind.

EAGER AND WAITING

Hockey players line the bench at Ingham Rink before Danvers game.

MOST HOCKEY GAMES ARE PLAYED ON HARVARD ICE

On Wednesday, January 9, the Governor Dummer hockey team played St. Mark's School at Southboro and lost a 7-2 decision. Fred Estey made one of the Governors' two goals and Nuffy Withington got the only other goal with an assist from Estey. The top men for St. Mark's were Ingals with two goals and an assist and Lockwood with one goal and three assists.

On January 13 the hockey team went to Harvard and played their first of many games on the Harvard rink. Their opponent was Browne and Nichols, and the Governors won 5-1. Captain Fred Estey was one of the top men for Governor Dummer with two goals. Tied with Fred was Geoffrey Fitts, who also got two goals.

The hockey team again appeared at Harvard on January 23 for a game with Noble and Greenough, which Noble and Greenough

won 4-1. The Governors' only goal was made by Jim Sylvester, unassisted. The next day, January 24, the team rode over to North Andover to play off a postponed game with Brooks. Governor Dummer lost, 4-1, with Charlie Langmaid scoring the only goal on an assist from Geof Fitts.

On January 26 the team again played at Harvard, this time against Lawrence Academy, and the Governors came through with their second win of the season, 5-1. Top man for Governor Dummer was Nuffy Withington with three goals. Jim Sylvester had two goals and Captain Estey had two assists.

On January 30 the Governors met the Middlesex team at Harvard. Hopes were high that Governor Dummer could bring home another win; but Middlesex won an evenly fought game, 3-1. Geof Fitts scored Governor Dummer's only goal on an assist from Bill Kittredge and Eddy Johnsen.

February 2 saw Governor Dummer again at Harvard playing St. Sebastian's, and again Governor Dummer lost, 6-1. Captain Fred

Estey made the Governors' only score on an assist from Nuffy Withington.

The Governors' first home game was played at Governor Dummer on February 6, when Danvers High School won a 6-2 decision. Charlie Langmaid made one goal with an assist from Tom Colt, and Geof Fitts made the other goal unassisted. Danvers' left wing, Weaver, made four goals and one assist; their right wing, Clark, made three assists, all to Weaver.

On February 9, the team went to Milton Academy with the varsity basketball and wrestling teams. Playing in a downpour of rain and sleet the whole game, Governor Dummer lost, 4-1. Fred Estey managed to make the only goal with an assist from Nuffy Withington.

The Governors' second and last home game was played amidst swirling snowflakes on February 13 when Winchester High School came to Governor Dummer and won, 6-2. Nuffy Withington scored one goal on an assist from Jim Sylvester, and Tom Colt the Governors' only other goal with an assist from Charlie Langmaid and Geof Fitts.

LEAGUE ALL-STARS BOW TO J.V. BASKETBALL TEAM

This year, as always, there was a great deal of enthusiasm in league basketball. The league is made up of those boys who wish to play basketball but not on the varsity level. There are three teams which play against each other, all hoping to win the steak dinner awarded to the top team at the end of the season.

The three teams this year were the Trojans, captained by Tom Parker, the Athenians, captained by Steve Correll, and the Spartans, captained by Charlie Cushman. The league leaders in scoring were Ginger Ardif and Tom Parker respectively.

The high point of the league season came when the league all-stars played the junior varsity team. After much skillful and high-spirited playing, the all-stars went down in glorious defeat to the J.V.'s.

J.V.'s GAIN EXPERIENCE IN DUAL WRESTLING MEETS

The J.V. wrestling team dropped the two opening meets. On January 17 they met the

Noble and Greenough J.V.'s following the varsity meet with Noble's first team. The Governors were edged out of a close match in the final bouts by a 24-23 score. The Governor Dummer lightweights proved strong and scored most of the Governors' points. Falls were won by Pete Buckingham, Scott Cappel, Lonnie Churchill, and Ray Ferris.

On February 6, the members of the J.V. squad travelled to St. Mark's School and lost to the St. Mark's wrestlers by a score of 24-11.

In the 147 lb. class Pete Bostwick scored a fall; Pete Buckingham and Chick Canterbury won by decisions.

On February 13 twenty-eight members from the J.V. squad faced the Andover J.V. team at Phillips Academy. If a score had been kept, the Andover team would have won by a score of 60-41. Obie Obetz, Russell Tornrose, and Neil Quinn scored falls. Jack Czelusniak, Bob Dietz, Charles Marston, Ned Stone, and Bill Turner won by decisions.

PONY FIVE RALLIES TO COMPILE WINNING RECORD

The Governor Dummer Pony basketball team, under the coaching of Mr. Philip Smith, has played five games, winning three and losing two. A high point of the season was the record game with the Ipswich J.V.'s. Ipswich defeated the Ponies in the first game by an overwhelming score, but in the second the Ponies gained revenge by beating Ipswich 44-30 in their best game of the season.

In mid-season the team was seriously handicapped by the absence of its two top scorers, James Brooks, and Co-Captain Carl Youngman. These two important players were soon back in the line-up to help out Co-Captain Nathanael Greene, Mirick Friend, and Gordon Lewis.

The most thrilling game of the season was played at Middlesex Academy, where the Ponies won in the last few seconds of the game. John Hyslop sank the winning point from the foul line to make the score 37-36.

MORE BRIEFLY

David and Donald Hicks of Worcester, '54 and '55 respectively, have been awarded varsity letters in soccer at Amherst College. David, a junior, played his second year of varsity ball at right halfback, while Donald, a sophomore, held down the left fullback position.

J.V. SEXTET EVEN IN EIGHT-GAME SCHEDULE

This year the J.V. hockey team has won four games and lost four. In the first game they were defeated by Wakefield, 1-0. In the next two games they faced the extremely tough teams of Noble and Greenough and Middlesex. In the game with Nobles, the Governors suffered an 8-0 defeat, and with Middlesex, a 9-0 defeat. The next two games were with Brooks and Amesbury, and with a lot of hard work and determination the Governors won both, defeating Brooks 2-1 and Amesbury 1-0. Captain Hank Laurelli played exceptionally well in these games. In a return match with Amesbury, the Governors were beaten 3-1. In the next game the Governors surged ahead to beat Marblehead 2-1 and then in the subsequent game with Amesbury were victorious again, 2-1.

This is the best record of any J.V. team in the past few years and the players well deserve it because of the hard work and determination they have put into the season.

MORE BRIEFLY

On February 21 about thirty-five boys accompanied by Mr. Fenn, made a bus trip to Boston to see the 1957 Ice Follies. The Boston Garden was about three-fourths filled for the event with enthusiastic parents and children, and the first half of the three-hour show was designed for the younger children featuring such acts as Candy-Stiek Land and a nine-year-old boy and his father as a skating team. The second half of the show was more entertaining, featuring excellent dance and comedy teams. In all, the Ice Follies of 1957 were very good and the boys had an excellent show to watch and enjoyed it immensely.

FORESTRY SQUAD COMPLETES FIRE LANE AROUND WOODS

At Governor Dummer there is an unsung band of eleven intrepid woodsmen who spend their afternoons in the Academy woodlands. Under the direction of Mr. Dunning, this year's squad is industriously cutting a fire-break around the school woods.

It is unfortunate that few of their fellow students understand this squad of hobbyists or ever witness their labors. Some look on forestry either as a "work" activity or as a

way to skip athletics. Instead, it springs from a genuine love for the woods and a desire to help the school.

This year's squad is the largest yet and is close to the limit which has been established. Mostly composed of freshmen and sophomores, the squad can foresee a few years of capacity enrollment and an opportunity to tackle some of the many other projects which were temporarily shelved to permit construction of the highly important fire-break.

Varsity Basketball Season

players met all season, and their very good guard McGillicuddy, could not be stopped.

For the next few days Mr. Williams had the squad practice in the Lang Gym in order to be more accustomed to the gym at Belmont Hill. The main stress was placed on a strong all-court press and a fast break; and the hard work paid off, for the Governors returned with a decisive 59-49 win. Tony Bourn scored 19 points and Kent Dumont 18. On the offense Fred Sayles was also able to score double figures with 13 points. The game was the start of a six-game winning streak.

On the following Wednesday the Governors met tournament-bound Rockport High School and snapped their ten-game winning streak. Sayles reached his high for the season, scoring 21 points on his famous jump shot. This game also marked Bill Hallenbeck's return to the line-up to aid the team with both points and rebounds. Final score: Governor Dummer 62, Rockport 47. The next Saturday the team extended its winning streak to three games when it beat a very tall St. Paul's School team, 34-29. The Governors worked a very effective zone defense; however, their shooting was very poor. Sayles being the only one in double figures.

Against a once-defeated Moses Brown team a week later, the Governors did considerably better, with Sayles, Dumont, Light, and Hallenbeck in double figures. In this game Moses Brown sophomore Victor Field scored 32 points to tie the Byfielders at the end of the regular game. In the overtime, baskets scored by Sayles and Dumont enabled the Governors to win by one point.

Several days later they again pulled out a close one against a strong Browne and Nichols team. Randy Light and Kent Dumont

were high scorers in this game, and Fred Sayles was able to hold Browne and Nichols' regular high scorer Fitzgerald to a mere 3 points. The Governors' ability to keep possession of the ball in the last moments of play, coupled with the all-court press, gave them a 43-40 decision.

The sixth game of the winning streak was against Milton, led by their Captain Pantaleoni with 29 points and their sophomore guard Allison. The Governors hit well that day, and their press and fast break were particularly effective in the 74-67 victory. In this game Mr. Williams was able to clear the bench for the first time.

One day after returning from Winter Weekend, the Governors were beaten by a strong Tech-Tourney-bound Belmont High School team. The Byfielders hit poorly from the floor, Sayles being the only one in double figures with 15. In the third period Belmont gained a commanding lead, and the Governors, even with Sayles controlling the boards with 20 rebounds, could not prevent the 43-60 defeat.

Several days later the tide turned, however, as the Governors played their best

game, defeating Hebron Academy 55-52. This game saw Sayles high with 17 points and a fabulous 23 rebounds followed by Hallenbeck with 14 points and Bourn with 11. The all-court press and Randy Light's ball handling while playing possession ball during the last few minutes of play allowed the Governors to win in spite of the fine play by Hebron's guard Moran and forward Horton.

On the following Wednesday the Byfielders were defeated 45-43 by a well balanced Huntington team. The Governors played one of their best games of the season holding the Huntington star Chevalier to only six points. For the Governors Fred Sayles hit his high for the year with 23 points, and he, along with Randy Light and Scott McLeod, controlled both boards on rebounds.

For the last game of the season the Governors made the long trip down to Tabor, where they were defeated 75-53 by a sharp-shooting Tabor club. The game was even for the first quarter, but from there on the Tabor press and fast break were too much, and the Sailors pulled far ahead in the second and third quarters. Sayles was again high with 20 points and 15 rebounds.
